It should be noted that the places on the framework will be allocated as detailed in section 3 (ITT). Tenderers should base their framework pricing on working in Greater London, defined as within the boundary of the M25. Successful tenderers will be expected to include either a zero or minus percentage in the Price Framework document for working outside Greater London. This will not form part of the evaluation process and will be for information purposes only.

II.2.4) Description of the procurement

This Decarbonisation Partnerships Framework is specifically designed to align with the 'Strategic Partnerships fund' which is designed for partnership contracts to be made between customers and suppliers that create a single solution to be delivered by a partnering contractor. There will be £500m available within the Strategic Partnerships Fund as advised by government for the financial year of 24/25. It is again possible there may be additional funding streams dependent on government initiatives in the future.
